Tuition Information

Non-Credit Enrollment

- Phillips Collection members - \$450 flat fee per course
- General Public - \$500 flat fee per course

At the time of online registration, you will be asked for a method of payment (check or credit card). The Office of Continuing Education will consult with The Phillips Collection to verify your membership status, and will confirm your correct billing amount.

You will not be officially registered for your course until the Office of Continuing Education receives payment (either an online credit card payment or a check received in the mail).

Graduate Credit Enrollment

The rates listed below are for the 2008-2009 Academic Year. Rates for Fall 2009 onward will increase slightly and will be posted in summer, as soon as they become available.

- Graduate Credit - \$339 per enrolled credit hour
 - Each class is 4 credit hours, or \$1356

Advanced payment is not required at the time of online enrollment. After you have successfully registered online, further instructions about billing, setting up your UIUC email account, and other important account information will be sent to you by the Office of Continuing Education. Be sure to activate your UIUC email account, as this is how the university will contact you about course information and billing! In general, your tuition bill will arrive (via email) approximately one month into the semester, with a one month grace period for payment.
